*******IMPORTANT - PLEASE READ*******

In order to help Harris Hill Raceway (H2R) be good neighbors we must follow their sound regulations very carefully. ChumpCars rule of 92dB @ 50 feet WOT might be pushing the limits. H2R's limit is 85dB at the property line (which the track comes close to at some points) and we have agreed that 92dB trackside will be acceptable. If you think your car will be pushing the sound limits, please plan accordingly! H2R will be checking dB levels on Friday during tech and the practice day so there will be time to make modifications if necessary. Please contact mikem@chumpcar.com with any questions.

Harris Hill Raceway (H2R) has a very tight paddock area, therefore H2R and ChumpCar have implemented trailer size restrictions. Please take the time to look at the trailer restrictions for H2R located at the end of the supplemental rules. If your trailer is longer than 28' you will need to reserve one of eight spots available. We highly encourage you to bring smaller trailers if possible. **You must check in with a H2R employee before you park your trailer. If you show up to H2R with a trailer larger than 28' and have not reserved a spot you will have to drop your trailer and bring in your equipment to the pit and paddock area with another vehicle. All fueling will still take place in the paddock area even if you rent one of the large trailer spots up the hill from the paddock for safety reasons.**

Harris Hill Raceway Friday Schedule:

9:00am	Gates Open
12:00pm	H2R Practice Begins (\$200/team, sign up at the clubhouse)
1:00pm	Tech & Registration Opens
6:00pm	Harris Hill Raceway Practice Ends
6:00pm	Novice School
7:00pm	Tech & Registration Closes

There will no Tech Inspection on Saturday. If you have a problem making tech inspection call Mike Morrison at 214-738-6072 ASAP.

Teams must print all Safety & Tech Inspection forms before arrival and fill-out all forms before tech. Teams are also highly advised to have a itemized list declaring all performance modifications to their race car using the points system in the 2017 BCR.

Harris Hill Raceway Saturday Schedule:

8:00am	Drivers Meeting
8:45am	Cars to Grid
9:00am	Start Endurance Race
5:00pm	Checker Flag
5:05pm	Post-race Inspection

Harris Hill Raceway Sunday Schedule:

8:00am	Drivers Meeting
8:45am	Cars to Grid
9:00am	Start Endurance Race
5:00pm	Checker Flag
5:05pm	Post-race Inspection
5:45pm	Awards Ceremony

Event Supplemental Rules:

**Download and read the CCWS BCCR: <http://chumpcar.com/rules.php>
Reading the rules is required by all CCWS drivers, crew and car builders.**

Pit, Paddock and Garage Supplemental Rules:

- ⚡ SRPP1 – Paddock/Pit Spaces are first come, first serve. You must stay within the paddock lines. The Paddock area will also be used for pit road.
- ⚡ SRPP2 – Crew members must stay clear of the car until it comes to a complete stop in the paddock/pit stall.
- ⚡ SRPP3 – The Paddock will be the exclusive fueling area. Fueling of race cars shall be completed by use of 5-gallon plastic jugs and funnels, hoses or other fueling adapters as specified in the ChumpCar BCR. Jugs must have sealable lids/caps. Metal fuel drums or other fuel containers and caddies with manual pumps (no electric pumps) and hose lines are allowed to re-fill plastic jugs but are not allowed for re-fueling race cars.
- ⚡ SRPP4 – All teams shall have one (1) fully-charged 10LB ABC fire extinguisher in their pit area. All teams shall have one (1) 10LB bag of kitty litter or other reasonable absorbent for oil leaks and/or fuel spillage in their pit area. Having a broom handy is also be advisable.
- ⚡ SRPP5 – Drivers may remain in the car during fueling and driver changes may also be completed. All engines and electrical kill switches must be off during fueling. **NO WORK ON ANY CAR SHALL BE COMPLETED DURING REFUELING.**
- ⚡ SRPP6 – All work and/or repairs that can be made to your race cars in under thirty (30) minutes may be executed in the Pit Lane; all repairs requiring more than 30 minutes time must be completed in the Garage Area. A penalty of 1 lap for every five (5) minutes of work in the pit lane that exceeds 30 minutes shall be levied.
- ⚡ SRPP7 – All team members over the wall during fueling must wear a Nomex driver's suit, gloves and full-face helmet.
- ⚡ SRPP8 – Electric, propane or kerosene heaters within the "cold" side of the pit wall are allowed provided all heating elements or flame sources are directed away from any flammable material and are kept a minimum of 20' from any fuel storage. No open flame stoves or BBQs are allowed in the cold pits.
- ⚡ SRPP9 – All cars, used or junk parts too big for a normal trash can, empty fuel drums and anything else you brought with you must be taken out with you. If you leave it behind, we'll track you down... and it won't be pretty.

Harris Hill Road Supplemental Rules

Due to limited space and a very cozy paddock, we have to limit the number of “big rigs” at the track. We have 8 spaces for larger RVs and Toy-Haulers. These will remain up top by the clubhouse, the parking fee will be \$50.00 for the weekend and the H2R staff will help you place them in the right spot(s).

No single vehicle (Trailer or Tow Vehicle) measuring longer than 28 feet may remain in the paddock. We’ll also have designated storage/parking for trailers or tow vehicles up top if you need more elbow room in the paddock. Please give us a call at 512-667-6250 to reserve one of the RV spots or if you have any questions.
